Lesson 15

“You cannot trust the Gospel authors since they were Christians”

1

What questions would you have for those who make this claim?

2

What can we tell about early Christianity from Pliny's letter?

3

What can we tell about early Christians
from Josephus' account?

4

Match up the descriptions to passages in the New Testament

5

How could non-Christians sources be used to help make the case for the New Testament?

6 What are some limitations that these sources have?
